Testimonial

“La Serenissima” Farm (Calcinato -BS - Italy)

Farm Characteristics

Type of animal	Dairy cows
No. of animals	430 lactating cows
Housing type	✓ cubicles/stalls with straw pellet ✓ loose yards/bedded packs with straw
SOP products used	SOP STAR CALF

Danilo told us,

"Here the calves are kept together in small groups, of a similar age, and they stay together all their lives. In this way, stress is reduced and their wellbeing is increased.

*With **SOP STAR CALF** the **calves grow more** and they are **lively, active and on top form.**"*
